## Report

Name of the Program : Introduction to PCP-Disso software  
Duration of Training : 28/09/2020 to 29/09/2020  
Recourses Person Details : Mr. S. B. Jadhav  
Assistant professor of Indira college of pharmacy  
Mob No- 9421278483

A two-day workshop was organized on " Introduction to PCP-Disso software " for M. Pharmacy and B. Pharmacy final year students from 28/09/2020 to 29/09/2020 by Indira college of pharmacy. The main objective of the training was to prepare the students to use Dissolution apparatus perfectly for doing pharmaceutical preparation. On the first day, Mr. S. B. Jadhav explained the importance of dissolution apparatus. It is pharmaceutical dissolution testing and analysis software use for transdermal flux calculation and for pharmacokinetics testing of dosage form. He used the projector as a mode of teaching. He provided the data required for logging into the software with all the students. On the last day, Mr. S. B. Jadhav divided the students into batches and made them work practically. Around 50 students attended the workshop. At the end of session feedback was taken from students. Students said that this workshop greatly expanded their understanding levels on how experiments can be done by using software. Lastly, Mr. Wankhede P. P. thanked Mr. S. B. Jadhav for sharing knowledge transfer with students.

The main objective of conducting soft skills and people skills was to engage students in meaningful interactions with patients and others, which will enhance their communication, creativity, problem solving efficacy, self-awareness in an individual. Bonhear Pharmaceutical taught students using presentations, videos, and conducted group activities as teaching mode. Around 53 students have attended this informative program. Open feedback was taken from the participants on the last day of training. Students revealed that this program was Very interesting and it would help them to become a more dynamic individual and enhanced their communication skills. The management & Dr. Prakash Katakam, Principal of ICOP expressed the gratitude for sharing his expertise with everyone. All program was arranged by Mr. Jameel Ahmed.

A two-day workshop was organized on "Introduction to Design Expert software " for B. Pharmacy final year students from 20/07/2019 to 21/07/2019 by Indira college of pharmacy. The main objective of the training was to prepare the students to use animal simulator perfectly for doing their pharmacological experiments. On the first day, Mr. Md. Zameeruddin Explained Design Expert is a piece of software designed to help with the design and interpretation of multi-factor experiments. Design-Expert is a statistical software package from Stat-Ease Inc. that is specifically dedicated to performing design of experiments (DOE). Design-Expert offers comparative tests, screening, characterization, optimization, robust parameter design, mixture designs and combined designs on the last day, Mr. Md. Zameeruddin divided the students into batches and made them work practically in a computer lab. Around 47 students attended the workshop. At the end of session feedback was taken from students. Lastly, Dr. Prakash Katakam, Principal of Indira College of Pharmacy, thanked Mr. Md. Zameeruddin for sharing knowledge transfer with students.

### Report

Name of the Program : Introduction to chem draw software  
and hands on practices

Resource Person Details : Indira Institute of Technology Nanded

Duration of Training : 29/11/2018 to 30/11/2018

A two-day workshop was organized on " Introduction to chem draw software and hands on practices" for B. Pharmacy final year students from 29/11/2018 to 30/11/2018 by Indira college of pharmacy. The main objective of the training was to prepare the students to use animal simulator perfectly for doing their pharmacological experiments. On the first day, Mr. Pravin N. Muli explained the importance of animal simulator and how it was useful for knowing as a drawing tool that allows users to draw chemical structures and reactions as well as biological objects and pathways. Users can also use it to predict properties and spectra, convert chemical structures to IUPAC names, view 3D structures, etc. On the last day, Mr. Pravin N. Muli divided the students into batches and made them work practically in a computer lab. Around 46 students attended the workshop. Lastly, Principal Dr. Prakash Katakam thanked Mr. Pravin N. Muli for sharing knowledge transfer with students

Report

Name of the program : Soft skill & Peoples skills training  
Duration of training : 21/07/2018 to 21/08/2018  
Resource person details : Bonhear Pharmaceutical, Aurangabad

Indira college of pharmacy organized "A Training Program on Soft Skills & People Skills" for B. Pharmacy and M. Pharmacy final year students by corporate trainer Bonhear Pharmaceutical from 21/07/2018 to 21/08/2018 at 5:30 to 6:30pm. The main objective of conducting soft skills and people skills was to engage students in meaningful interactions with patients and others, which will enhance their communication, creativity, problem solving efficacy, self-awareness in an individual. Bonhear Pharmaceutical taught students using presentations, videos, and conducted group activities as teaching mode. Around 51 students have attended this informative program. Open feedback was taken from the participants on the last day of training. Students revealed that this program was Very interesting and it would help them to become a more dynamic individual and enhanced their communication skills. The management & Dr. Prakash Katakam, Principal of ICOP expressed the gratitude for sharing his expertise with everyone. Mr. P.N. Muli coordinated the entire program.

Indira college of pharmacy organized a training program on first aid program Training was held on 09/09/2017 the program was conducted by Prof. Panchal S.B. has Training programmer. He gives us basic information about the first and immediate assistance given to any person with either a minor or serious illness or injury, with care provided to preserve life, prevent the condition from worsening, or to promote recovery. It includes initial intervention in a serious condition prior to professional medical help being available, such as performing cardiopulmonary resuscitation (CPR) while waiting for an ambulance, as well as the complete treatment of minor conditions, such as applying a plaster to a cut. First aid is generally performed by someone with basic medical training. About 52 students from B. Pharmacy & Pham D have attended this program. Dr. Prakash Katakam Principal, Indira College of Pharmacy thanked the invitees and participants for making the program successful, all program was arranged by Mr. Jameel Ahmed.
