## Report

Name of the Program : Teachers Day  
Date of Program : 05/09/2019  
Program Co-Ordinator : Mr.Md Zameeruddin.

The country celebrates Teachers' Day on September 5 every year. Students honor and express their gratitude to their teachers on this day. On this day, Dr. Sarvepalli Radhakrishnan, the second president of India, is honored. The most essential thing he did was teach. He was a brilliant academic philosopher, one of history's greatest diplomats, a researcher, and the president of India. In honor of this exceptional educator, his birthday is now recognized as Teachers' Day. On 5<sup>th</sup> September 2019, our students organized a celebration at our department. The entire event was organized by Mr.md Zameeruddin. In order to demonstrate how much we value our professors; we came to the conclusion that students should be in charge of teaching. According to Indian culture, we must always start with prayer. On teacher appreciation day, 24 persons participated in total. From 10:00 am to 01:00 pm, the students' designed itinerary comprises lecture and practical. In order to provide lectures on the course material for the current semester, students showed up to class. After this program we arrange Essay writing and Elocution Competition. All participated students were appreciated by giving Pen as our token of love.
