GREEN CAMPUS INITIATIVES:

Policy Documents/ Decisions Circulated for Implementation The institution has systematically planned every procedure for maintaining its Campus green. Special committee is assigned for developing the infrastructure of organization. Well-coordinated efforts are taken for the institutional development as a part of social responsibility, maintaining eco-friendly environment is our prime duty.

1. Eco-friendly environment is maintained by planting trees and avoiding the use of plastic in day-to-day life.
2. Ample of trees, plants, and attractive vines in the institution decorate the corridors, passages, and porch and provide the rich source of oxygen.
3. A dedicated full-time gardener is appointed to take care of the plants, trees and vines in the campus. The use of organic fertilizers for growing the trees is promoted.
4. The awareness's programs like tree plantation campaigns, cleanliness campaigns are held to encourage to lead eco-friendly life and make the environment clean.
5. The institution encourage the student opt for public transport in order to control pollution.
6. The institution organized some strategies to set and achieve paperless goals. The institution insists to minimize the use of papers for office purposes as by reducing excessive use of printing, remove extra printers, and request paperless statements. The institution supports for organizing digital documents, using e-mails, using social networking sites like whatsapp for everyday notices and communication.

Sub: Ban of Plastic Use in the premises of **ICOP**:

In accordance with the guidelines of the Government of India/University Grants Commission **Indira College of Pharmacy** declares the ban on the use of plastic in its premises with immediate effect, in compliance with the following provisions:

- Prohibition of single-use plastics in campus grounds, canteens, hostels and during academic programs such as conferences, seminars, workshops, meetings, etc.
- It is recommended that both students and staff avoid bringing non-biodegradable plastic objects to the campus.
- Staff and students should ensure use of water purifying units located at specified locations in all premises and discourage the use of disposable water bottles, and promote the use of sustainable alternatives such as cotton bags, paper bags, etc. instead of plastic bottles, bags, carriers and other products in the campus. Students should sensitize their respective households about negative consequences of plastics to make their residences 'plastic free'.
